WEB EYEWEAR: A UNIQUE LEGACY FOR AN ICONIC VISION

Techniques, materials and know-how are the distinctive elements reflecting the history and heritage of WEB EYEWEAR, which develops extraordinary collections through advanced technologies, eye-catching design and creative and manufacturing processes of the highest level.

Each new frame, that is carefully studied and researched, perfectly balances form and structure as well as aesthetics and functionality.

The WE0346 - Iconic 1960 style is the result of this research, revealing an incomparable balance between tradition and the avant-garde. These sunglasses made of titanium and acetate combine lightness and solidity, elegance and comfort.

WEB EYEWEAR, owned by Marcolin Group, is the expression of an unmistakable attitude and philosophy that transforms each frame into the perfect look for a unique personality.
